

**Slope Star Level 1**

Task 1	Execute 5 manoeuvres from list in one flight sequence.				Pilot	Witnessed
	Pass		Pass			
	5 second inverted flight		inside loop			
	3 turn flat spin		out side loop			
	4 point roll		split S			

<b>Judging Guide lines</b>	5. Aircraft's flightpath changes heading by more than 15 degrees to that of original heading.
1. Flightpath on entry is not a distinct horizontal line.	6. Presentation of the manoeuvre is not pleasing or central to the judges allocated viewing window.
2. Manoeuvre is not performed as required.	
3. Flightpath on exit is not a distinct horizontal line.	
4. Flightpath on entry and exit is not at the same altitude.	

Task 2	One flight of 20 minutes duration and one landing within 10m (30 ft) landing spot					
	Start Time	End Time	Total Time	Distance	Pilot	Witnessed

**Slope Star Level 2**

Flight 1	Two flights of 45 minutes duration and one landing within 10m (30 ft) landing spot					
	Start Time	End Time	Total Time	Distance	Pilot	Witnessed

Flight 2	Start Time	End Time	Total Time	Distance	Pilot	Witnessed

**Slope Star Level 3**

Flight 1	One flight of 40 minutes duration				
	Start Time	End Time	Total Time	Pilot	Witnessed

Flight 2	One flight of 60 minutes duration				
	Start Time	End Time	Total Time	Pilot	Witnessed
